CREMOPAR

Eboli (Salerno, Italy)

19th – 20th October 2023

Programme

The Mediterranean Federation for Health and Production of Ruminants (Fe. Me. S. P. Rum.) is honoured to organise and invite you to participate at the 25th International Congress. The congress taking place at CREMOPAR, Eboli (Salerno, Italy) from 19th to 20th October 2023.

The scientific programme (short oral and poster presentations) will cover all aspects of ruminant welfare, health and production:

- Physiology
- Welfare
- Production diseases
- Infectious diseases
- Nutrition
- Internal medicine
- Surgery
- Clinical pathology
- Parasitic diseases
- Heat stress
- Transboundary diseases
- Ruminant production in the Mediterranean basin
- Opportunities for scientific and professional cooperation in the Mediterranean region
- Education
- Reproduction
- Remarkable clinical cases
- Antimicrobial resistance
- Free topics

Numerous distinguished speakers will lecture on these topics.

Pre-Congress 17th – 18th October 2023

International Training School

“Advances in the diagnosis and control of echinococcosis: from the field to the lab”

The International Training School is organised in the framework of Echino-Safe-Med Project (New sustainable tools and innovative actions to control cystic ECHINOcoccosis in sheep farms in the MEDiterranean area: improvement of diagnosis and SAFETY in response to climatic changes, <https://www.echinosafemed.com/>). The local organisers are the Centre for Monitoring Parasitic Diseases (CREMOPAR), Department of Veterinary Medicine and Animal Production, University of Naples Federico II and the Regional Reference Centre for Animal Health (C.Re.San.).

Registration is open to 15 young participants (graduate, postgraduate and PhD students) who will be selected through their *Curriculum Vitae*. Participants registered for the 25th International Congress of Fe. Me. S. P. Rum. will take precedence.

Registration and accommodation in CREMOPAR guest house are free.

The application must be sent to the email 25thfemesprumcongress@mvpa-unina.org by 22 September 2023.

1st day - TS

08:30 – 09:00 Registration

09:00 – 10:30 Presentation of the TS – lectures

10:30 – 10:45 Coffee break

11:00 – 13:30 New strategies for the treatment of dogs and new epidemiological tools (On Farm)

13:30 – 14:30 Lunch on farm

14:30 – 17:00 New strategies for the diagnosis and the control of cystic echinococcosis in sheep (On Farm)

17:30 – Group visit to Paestum Temples and Dinner

2nd day - TS

08:30 – 09:30 Lesson on New tools for the diagnosis of echinococcosis

09:30 – 11:00 New tools for the diagnosis of echinococcosis in dogs (First part–on lab)

11:00 – 11:30 Coffee break

11:30 – 12:30 New tools for the diagnosis of echinococcosis in dogs (Second part–on lab)

12:30 – 13:30 Lunch

13:30 – 16:30 Necropsy examinations (Necropsy room)

16:30 – 17:00 Discussions and Conclusion

CONGRESS PROGRAMME AT A GLANCE

1st day – Congress

08:00 – 08:30 Registration

08:30 – 09:15 Opening ceremony

09:15 – 10:30 **Session: Ruminant welfare and production**

Keynote speakers

- **Starič Jože** - Veterinary Faculty, University of Ljubljana

Metabolic stress and welfare in dairy cows

- **Paola Nicolussi** - Istituto Zooprofilattico Sperimentale della Sardegna
- **Alessandra Gaffuri** - Istituto Zooprofilattico Sperimentale della Lombardia e dell'Emilia Romagna, CRN per il Benessere Animale

Welfare in dairy sheep and goat farming: methodologies and assessment of critical points

Oral communications

10:30 – 11:00 Coffee break

11:00 – 13:00 **Session: (Re-)Emerging ruminant infectious diseases**

Keynote speakers

- **Giovanni Savini** - Istituto Zooprofilattico dell'Abruzzo e Molise

EHDV-8: virus of a lesser god

- **Alessandra Martucciello** – National Reference Centre on Water Buffalo Farming and Productions Hygiene and Technologies - Istituto Zooprofilattico Sperimentale del Mezzogiorno

Brucellosis: recent advances and future challenges

Oral communications

13:00 – 14:00 Lunch break

14:00 – 15:30 **Session: Parasitic disease in ruminants**

Keynote speakers

- **Pablo Díaz Fernández** - Faculty of Veterinary Sciences, Universidade de Santiago de Compostela

Paramphistomidosis: an emergent parasitic disease of ruminants in Europe

- **Fabrizia Veronesi** – Department of Veterinary Medicine, University of Perugia
Production and health impact of fly control in stable environment

Oral communications

15:30 – 16:00 **Poster presentations**

16:00 Group visit to buffalo farm, Paestum Temples and Dinner

2nd day – Congress

09:00 – 10:30 **Session: Conservation of “ruminant” biodiversity in Mediterranean Basin**

Keynote speakers

- **Boubaker Bensmida** – Service Santé Animale, Commisariat Regional au Développement Agricole (CRDA) de Tataouine, Tunisia

State-of-the-Art of dromedaries in Tunisian zootechnics

- **Antonello Carta** - AGRIS Sardegna

Advances in understanding the genetic architecture of resistance to main diseases in sheep

Oral communications

10:30 – 11:00 Coffee break

11:00 – 12:00 **Fe. Me. S. P. Rum. General Assembly**

12:00 – 13:00 Lunch break

13:00 – 15:00 **Session: Sustainability of ruminant farms**

Keynote speakers

- **Antonio Bosco** – Department of Veterinary Medicine and Animal Production, University of Naples Federico II

Sustainable approaches to parasite control in ruminants

- **Simone Dore** - Istituto Zooprofilattico della Sardegna, Centro di Referenza Nazionale per le Mastopatie degli Ovini e dei Caprini

Sustainable practices for small ruminant mastitis management

Oral communications

15:00 – 15:30 **Poster presentations**

15:30 – 16:30 Closing ceremony

Awards for the Best Young Investigator oral presentation (certificate + gift), best poster presentation (certificate + gift) and best scientific contributions in the field of ruminant health (certificate + gift) and production (certificate + gift) will be given!

Abstracts

All abstracts of 25th Fe. Me. S. P. Rum. Congress will be published in congress abstract book. Abstract will be reviewed and published in congress proceedings Web magazine available at Web magazine RUMINANTIA (<https://www.ruminantia.it/>).

Abstracts must be sent to the email: 25thfemesprumcongress@mvpa-unina.org

For detailed information and guidelines for abstracts, please see the congress webpage:

<https://www.parassitologia.unina.it/25thfemesprumcongress>

Deadline for submission of abstracts: 15th September 2023

Notification of authors: 22rd September 2023

REGISTRATION (VAT is included in the fee)

Register here: <https://forms.gle/gmWSMhRBRC1fK9KD8>

	EARLY (until 25th September 2023)	LATE
European delegate registration (includes all coffee breaks, lunches, proceedings, workshops, welcome reception, congress banquet and congress tour)	300 EUR	350 EUR
Extra-European delegate registration (includes all coffee breaks, lunches, proceedings, workshops, welcome reception, congress banquet and congress tour)	250 EUR	300 EUR
One day registration (includes all coffee breaks, lunch, proceedings and welcome reception)	150 EUR (Thursday, Friday)	
Graduate, postgraduate and PhD student registration (includes all coffee breaks, lunches, proceedings, workshops, welcome reception, congress banquet, congress tour and International Training School)	150 EUR	200 EUR

*In order to obtain the special fee for Graduate, postgraduate and PhD student registration, an approval letter signed by the head of the department or a student card must be sent by e-mail to 25thfemesprumcongress@mvpa-unina.org

Registration will be confirmed only upon full payment. Unpaid registrations will not be valid. Outstanding payments will be collected on-site and charged at the late rate.

Payment for registration to the congress must be made by deposit to the following current account (Cuteri Vincenzo, Fe.Me.S.P.Rum. treasurer):

IBAN: IT53H0347501605CC0010057811

BIC: INGBITD1

Specify in the payment details: Name and surname of the participant.

It is our great pleasure to invite you to attend the 25th International Congress of the Fe. Me. S. P. Rum.

ORGANISING COMMITTEE

Centre for Monitoring Parasitic Diseases (CREMOPAR), Department of Veterinary Medicine and Animal Production, University of Naples Federico II

Regional Reference Centre for Animal Health (C.Re.San.)

Istituto Zooprofilattico Sperimentale del Mezzogiorno, Centro di referenza Nazionale sull'igiene e le tecnologie dell'allevamento e delle produzioni bufaline (CRENBUF)

Istituto Zooprofilattico Sperimentale della Sardegna, Centro Nazionale di Referenza per l'Echinococcosi (Ce.N.R.E)

Department of Veterinary Medicine of Sassari, University of Sassari

Associazione Italiana Allevatori (AIA)

Associazione Allevatori della Campania e del Molise

SCIENTIFIC COMMITTEE

Fe. Me. S. P. Rum. board members: Vincenzo Carcangiu (president), Angel Javier Alonso Diez (vice-president), Jože Starič (secretary), Vincenzo Cuteri (treasurer), Andre M. de Almeida, Rosario Panadero Fontan, Marta Elena Alonso de la Varga, Magda Omar Ali, M. Erman Or, Angelo Peli, Antonio Bosco, Blagoje Dimitrijević, Ciriaco Ligios.

HOW TO REACH THE CREMOPAR FROM THE INTERNATIONAL AIRPORT OF NAPLES?

CREMOPAR

Strada Statale 18 – Località Cioffi

84025 – Eboli (SA)

tel. [+39 081 2530700-706](tel:+390812530700-706)

mail: cremopar@unina.it

- Once landed and left the airport of Naples go by walk towards the Naples Capodichino airport terminal bus, in the avenue F. Rufo di Calabria, and take the bus ALIBUS to the Naples central train station in Piazza Garibaldi.

You can buy ticket in board for 5€. The bus leaves every 15 minutes.

- From Naples train station take a regional train to Battipaglia FS train station, located in Salerno province. The duration of the trip is about an hour and a half. It's possible to buy the ticket directly in the Naples central train station.
- From Battipaglia train station there will be a transfer waiting (organized by the congress) for you to reach the CREMOPAR by car.
